

BS in Computer Science (Information Assurance Concentration, 2011-2012 Catalog)

First time freshman students admitted to ASU for the 2011-2012 academic year must complete critical requirements to progress toward graduation. Please work with a CIDSE advisor if you have any questions about critical requirements.

Notes: ** See CIDSE Advising Center or CIDSE Website (cidse.engineering.asu.edu) for approved technical electives, lab science sequence options, and information assurance core/electives.

* Designates critical requirements for CS admits in the 2009-2010 academic year. Minimum 'C' grade required in all CSE courses

Prerequisite
