Students interested in CSE/SER/CPI 484 Department Internship credit must be hired for an eligible internship and meets the criteria for the internship course. See the major internship eligibility information at http://cidse.engineering.asu.edu/ for student and position requirements and application materials.

Please note: Students can only take a maximum of 3 hours of 484 credit towards their degree. There is also a limit of 6 hours of independent study that a student can use towards their degree. Additionally, CS and CSE students who choose to do internship may not also take FSE 301 towards their major requirements.
