iPOS Information Session

Fall 2016
Interactive Plan of Study (iPOS)

The Plan of Study (iPOS) functions as a contract between the student, the academic unit, and the Office of Graduate Education.

- iPOS Help Page
- All Master’s students must submit their iPOS in their first semester
iPOS Submission

Access your iPOS through MyASU

Select degree requirements and anticipated graduation term.

Questions concerning program requirements should be directed to your academic unit and/or advisor.
Questions concerning technical issues with the Interactive Plan of Study (iPOS) may be emailed to ipos-c@asu.edu.

THESIS OPTION (3.2 GPA required)
- 3-4 Courses from one area
  - Areas: OR, PSL, IMS, IS
- 0-1 Electives – Outside of IE must get approval
- IEE 599 Thesis (6 hrs.)
- Successfully defend and pass the oral thesis defense

NON- THESIS OPTION
- 4 Courses from one area
  - Areas: OR, PSL, IMS, IS
- 2 Electives – Outside of IE must get approval
- Pass a Comprehensive Exam on 3 out of the 4 Core Courses.
Special Program: Engineering Logistics

Supervising faculty: Drs. Esma Gel and Rene Villalobos

- Four core courses
- Required classes:
  - IEE 534 Supply Chain Modeling and Analysis. (3)
  - IEE 535 Introduction to International Logistics Systems. (3)
- Two courses from the following list:
  - IEE 530 Enterprise Modeling. (3)
  - IEE 533 Scheduling (3)
  - IEE 561* Production Systems. (3)
  - IEE 574* Applied Deterministic Operations Research Models. (3)
  - IEE 598 Network Flows
- Two more elective course or Research and Thesis

* These courses may be used as area or core courses but not both.

- No more than 40% of the coursework towards the certificate can be completed prior to admission to the program.
- IEE 585 cannot be included in the MS iPOS.
- IEE 581 and IEE 585 cannot be included in the Ph.D. iPOS.
CPT Internship

- **CPT Help Page**
- To be eligible for CPT you must have maintained F-1 status for a minimum of one academic year in current degree program.
- 3.2 cumulative, graduate and iPOS GPA
- **No Academic Integrity violations within one year.**
- MUST BE LISTED ON INITIAL IPOS!!
  - MAX 2 credits
- ISSC CPT website: [https://students.asu.edu/international/support/f1cpt](https://students.asu.edu/international/support/f1cpt)

- Proposed employment must be an integral part of an established curriculum and meet one of the following requirements
  1. Internship is required of all candidates for a particular degree program
  2. Internship is required of a particular student’s degree program as a planned option in their degree plan (the intent to include internship is established between student and advisor early on and not added to accommodate employment opportunity).

Taken from ISSC website
CPT and iPOS

Addition of the CPT course(s) should be done at the initial submission of the student’s iPOS during the first semester of study. (Note that each student is required to file an iPOS by the end of his/her first semester of study. Later additions of CPT courses must be requested and approved at least one full semester (fall, spring or summer) prior to the proposed start date of the internship course. For example, a student planning to do an internship during the summer semester should have an approved iPOS with the internship course before the beginning of classes in the preceding Spring semester. The Internship course cannot be added to an approved iPOS once all coursework has been completed. Exceptions may be made if the internship is relevant to thesis (or dissertation) research.

Taken from CIDSE CPT Policy
The Graduate Program Chair will determine the need for a CPT internship in such cases in consultation with the Graduate Academic Advisor. Note that approval of an iPOS with the CEN/CSE/IEE 584 course confirms that the internship is an integral part of the degree requirements as planned by the student. Hence, students who are not able to fulfill the internship credit requirements in their iPOS are required to replace the course credit requirements through the following options:

- taking a 3-credit hour graduate course,
- taking the 1-credit hour CEN/CSE/IEE 594 seminar course
- taking one credit hour of CEN/CSE/IEE 590 – Reading and Conference (Independent Study)-thesis students only.

Note: The options depend on your program.
