Total hours

**For every 1 hour spent in class, 2-3 hours is required outside of class for studying and coursework.**

**Agreement**

I have completed my self-assessment and understand that to return to academic good standing in the Ira A. Fulton Schools of Engineering I must satisfy the following requirements: **Achieve a minimum semester GPA of 2.25 and earn a minimum cumulative 2.0 ASU GPA.** I understand that if I do not meet both of these requirements, I am at risk of possible academic probation restrictions. I further understand that if I am off track and do not successfully complete critically tracked courses, I may be required to change my major.

I agree to implement the above actions and strategies so that I can achieve academic success. I understand that I am ultimately responsible for my education and have resources available to me when I need assistance.
